### Veränderungen der Muster

\*\* Muster, die mit zwei Sternen gekennzeichnet sind, sind als Sommerjacquard gestrickt. Dabei werden vor jedem Abnehmen und vor dem Abketten die Maschen, die auf dem vorderen Bett gestrickt wurden, abgeworfen und aufgelöst.

Zahlen in Klammern bezeichnen die Seiten der zugehörigen Abbildungen.

### Modifications des dessins

\*\* Les dessins munis de deux astérisques se tricotent comme jacquards d'été, c.à.d. avant chaque diminution et avant de rabattre, faire tomber ou défaire les mailles tricotées sur la fonture avant.

Les chiffres entre parenthèses désignent les pages des illustrations correspondantes.

### Stitch pattern alterations

\*\* Stitch patterns marked by two asterisks are knitted as summer fairisle, i.e. before each decrease or cast off, the stitches knitted on the front bed are released and unravelled.

Numbers in brackets refer to the pages of the corresponding illustrations.

### Modifiche dei disegni

\*\* I disegni contrassegnati da due asterischi si lavorano come jacquard estivi, cioè prima di ogni diminuzione e prima di chiudere, fare cadere o disfare le maglie lavorate sulla frontura davanti.

I numeri fra parentesi si riferiscono alle pagine delle relative illustrazioni.

### Modificaciones en los diseños

\*\* Diseños, marcados con dos asteriscos, están tejidos como jacquard de verano, es decir que antes de cada menguado y antes de rematar, se descuelgan y destojan los puntos tejidos en la cama delantera.

Cifras entre paréntesis indican las páginas de las ilustraciones correspondientes.

### Patronen wijziging

\*\* De patronen met twee sterretjes voorzien, worden gebreid zo als zomer jacquard, t. t. z. voor iedere steken mindering of voor het afkanten, eerst de steken die op het voorste naaldenbed gebreid zijn laten vallen en doortrekken.

De nummers tussen de haaakjes verwijzen naar de bypassende afbeelding.
